**ABOUT OUR CLUB:** We are a fun-seeking group of folks that enjoy the hobby of metal detecting, searching for lost coins, jewelry, or other treasures that are surely out there. We help clean up parks and recover items following our digging ethics. Typically meet on the first Thursday of every month and are open to the public. We are a family friendly organization and we would love to have you as a member or would welcome your visit.

Our next meeting will be on **Thursday, April 2nd** at the gymnasium inside the **New World United Methodist Church**, 5134 Northwest Highway, Garland, TX 75043 from **7 – 9 pm**. Look for the EFTHA sign!

### **A FEW WORDS FROM OUR CLUB PRESIDENT:**

Today's weather reminds us that winter isn't quite finished with us yet. I know I'm looking forward to the week or so that we get with spring like weather.

We had to cancel the March meeting due to the snow, but at the February "Fun Hunt", turnout was good. We got to catch up with Mitch and hope that he can make it to our meetings again real soon. We had a few new categories of hunt items drawn and we found our new "Hunt Master" - more to come on that when we get together at our next meeting.

I had the opportunity to go out detecting over the last couple of weekends. Both times I got out, people came over and were interested in what we were doing. It was fun to meet them and share some of the excitement of finding some buried "treasure" with some kiddos at a local rec center. Remember, we get to be ambassadors to our hobby.

The club needs your displays for the TAMDC show in April, so please bring them to the April meeting. Also since there was no meeting in March, you can double up on the April FOM entries.

Stay safe and enjoy the spring weather (when it gets here)!  
Happy Hunting! John
