A FEW WORDS FROM OUR CLUB PRESIDENT:

Hello Members,

The Silent Auction and Bake Sale was Huge success. We brought in \$227.00. I believe that triples what we brought in last year. That is what makes our Club so great. Membership Participation.

Our By-Laws state that the election of New Officers shall be held in November. We already have some members that have expressed an interest in some of the Officers and Volunteer positions, but not all positions. I strongly urge you to step up and be a part of what is going to be the best Metal Detecting Club in Texas. We are Growing and there are some exciting new ideas for the future of this Club. Be a major part of it, by Participation.

Saturday September 29th is our Members Only Seeded Hunt and The J and A Treasure Hunt. both at Samuell Farm Park. The first hunt starts at 10:00 AM, so be there by 9:30 AM. The Seeded hunt Fee is \$40.00 and must be paid no later that the Sept. meeting. The fee for the J and A Treasure hunt can be paid at the Sept meeting or on Saturday the day of the hunt. Our next speaker is Michael Heim, President of The Texas Association of Metal Detecting Clubs. Earl

AUGUST FUN HUNT AT BRADFIELD PARK:

Well, 12 hunters came out and had a good time at the August Fun Hunt at Bradfield Park in Garland. The event kicked off with the "Token Hunt" where each hunter pays \$2 and hunt for the token (not buried deep) inside a flagged area. The token was found by John W. After that, the hunters hunt for about an hour or so, then gather to award prize coins based on catagories drawn at random. Typically many coins get found and sometimes some nice rings and such, but as usual, lots of trash was removed from the park making it a nicer and safer place for all. Thanks everyone for making the park cleaner and supporting our club!

Remember, our Fun Hunts are open to everyone! So come out, bring a friend, and welcome everyone to the great hobby of metal detecting and treasure hunting!

Stepping in for Huntmaster Bill and Mary was President Earl Hitt. See ya at the next one!

Lucky hunter John W was the hidden jackpot token finder.
Nice job!

HELPFUL HINT: The "Jackpot" token rings up on your detector like a penny, which means when you are hunting the token, it might save time to "notch out" all other finds. Also, if the depth shows more than a few inches deep, it's probably NOT the token....move on. Typically the token is just under the surface and rings loudly on the detector when found.

New to metal detecting? Come out and see what the excitement is all about! Our Fun Hunts are open to the public and are free to attend! You can also get pointers on how to use your detector! Don't have a detector but would like to try it? Usually we have "extra" detectors you can borrow to try it see just how it works! Lost your ring? Come see us and we will be happy to help find it!
